Subject: RE: FW: Human Ethics: Application form submitted [REDACTED]

Hello Kala,

My understanding is that the faculty is not allowing the research to go ahead.

Katy – do you know who is managing this? I would’ve thought the student would have been advised on the status of their project by now.

Kind regards,
Kate

Hi Kate

5	Draft	Application Form	EMF effects on human brain tissue
---	-------	------------------	-----------------------------------

Start date	Meeting name	Clearance status	Reviewer
15/09/2020	200915 HREC 3 [HD] [KL] - 1 x pending dec	Cat C	Holsinger, D

Do you have any idea about this application. It has been unsubmitted for some reason. The researcher is trying to contact us by phone (see details below).

Thanks

Kind Regards
Kala
